

Further your business with the chance to receive a \$10K grant from Verizon Small Business Digital Ready.

The grant period is open between 10/11/23 and 12/20/23. To qualify, simply register for Verizon Small Business Digital Ready and complete any combination of two courses, coaching or community events.

Plus, access free, proven online tools and support that can help you succeed in the digital economy.

 **1:1 Coaching and mentoring**

Attend workshops with experts for real-world advice and direct industry leader access.

 **Peer networking**

Build a support network with local small business owners to share industry news, tips and future business opportunities.

 **Personalized learning**

Short courses from experts covering topics crucial to your business.

 **Incentives**

Along with grant opportunities, unlock free or discounted products and services to upgrade the way you do business.

“We used the grant money to move our business forward.”

Joe Alvarez and Erick Casillas,
Co-owners iCareClean
